Installation & Service

Service and installation is carried out by our factory trained engineers and is nationwide.

Incup drink vending machines require a 13amp socket and 1/2" stop tap (cold water) within a few feet of the machine. We do not undertake any plumbing or electrical work with regard installation of machines. A hose for connection is supplied with the equipment. Installation includes delivery, connection, setting up and demonstration of the equipment.

There is an initial 12 Months Warranty on Parts. After this period a charge for parts will be made if they are required.

Call out charge is £75.00 plus Vat. There is not an extra charge for time spent on site, no matter how long the engineer is in attendance. Our engineers are fully trained and have many years of experience; therefore time spent repairing a machine is kept to the absolute minimum. Should your machine develop a problem we can very often resolve it over the telephone, thus eliminating the call out charge altogether.

Drinks

We supply millions of drinks to thousands of satisfied customers across Britain.

Leading Brands...

Include: **Nescafe, Douwe Egberts, Kenco, Cadbury's, Tetley, Fairtrade, Knorr and PG Tips.** All at wholesale prices.

Quality Assured...

Rest assured that quality is extremely high. Drinks are packed under license issued by the various brands and as such are strictly regulated. In addition to this they are packed in conditions approved by the BRC to Grade A Food Standard (Supermarket Quality).

Delivery...

Is Free of Charge, Nationwide and only takes 2-3 days from receipt of order. There is a minimum order value of £70.00 to qualify for free delivery. Of course, we welcome smaller orders, however they will incur a small carriage charge of £5.79 plus Vat.
